Young Climate Warriors Climate Change Club in a Box Session 9 Net Zero

Did you see anything particularly awe-inspiring in nature this week?

How did you find this week's Young Climate Warriors weekly challenge?

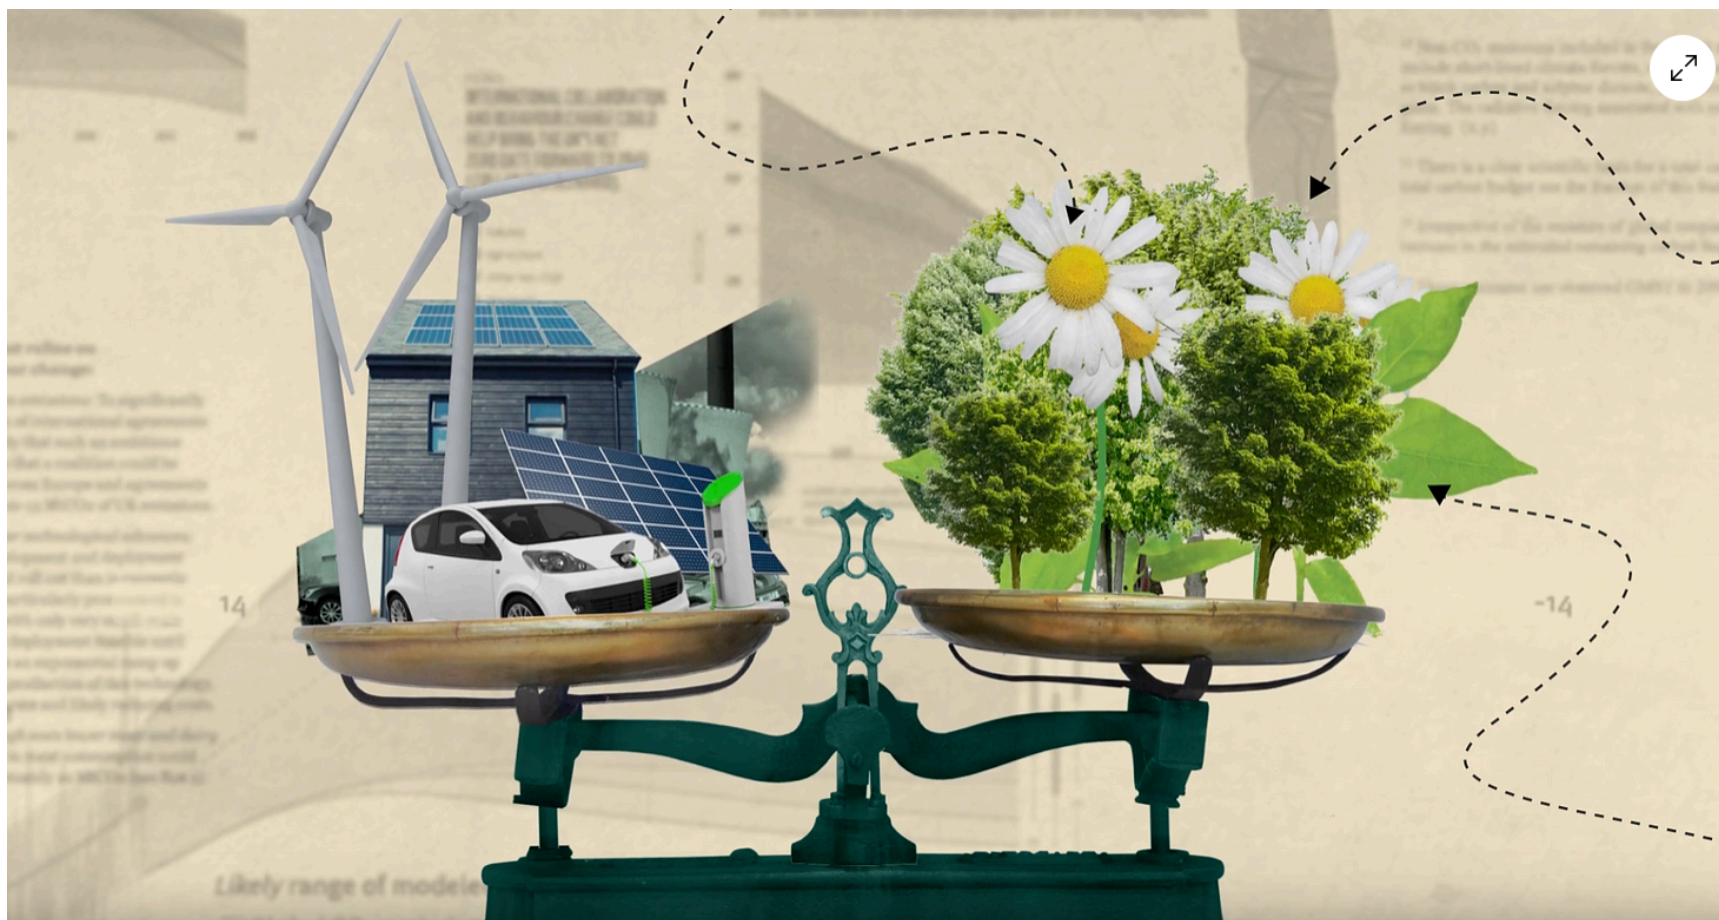

The UK target is
'net zero carbon'
by 2050.
What do you think
this means?

Do you think this picture helps explain Net Zero?

[What is Net Zero?](#)

Natural carbon stores

Planet Earth has several very powerful natural defences against climate change – can you guess what they are from these pictures?

Climate Change Club in a Box - Session 9

We need to help protect our carbon stores - forests.

Why does deforestation matter?

What can we do?

Climate Change Club in a Box - Session 9

**FORESTS
FOR ALL
FOREVER**

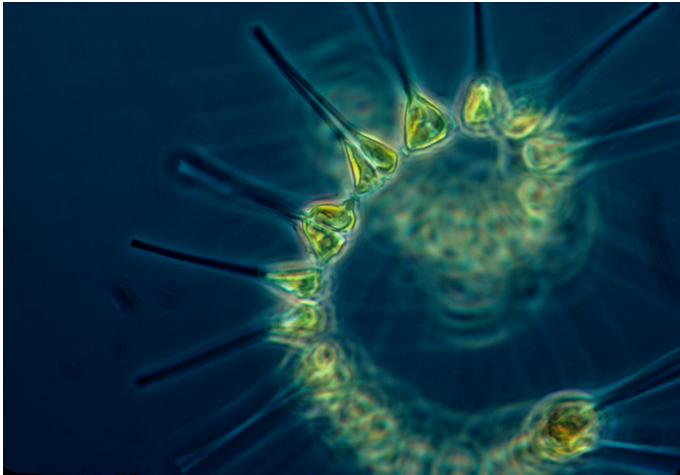

We need to help look after our oceans.

What can
We do?
